

The John Pavlick Miles for Meso

8K & Family Fun Run

Presented by the Simmons Law Firm
September 14, 2014
Burke Lake Park, Virginia

Dear Sponsor,

John Pavlick was only sixty years old when diagnosed with mesothelioma in 2008. John devoted his life to his family, faith and country. After a courageous four-month battle, he succumbed to this devastating disease.

The *John Pavlick Miles for Meso* is an annual event held to increase awareness of mesothelioma and to raise research funds for the Meso Foundation. Mesothelioma, a rare form of cancer that often occurs in the thin membrane lining the lungs, chest, and abdomen called the mesothelium, affects almost 3,000 people annually in the United States. Virtually all cases are linked to asbestos. This malignant disease progresses quickly; most victims die within two years of diagnosis.

John and his wife Olga often walked together at Burke Lake Park. On September 14, 2014, family and friends will gather to walk and/or run in this beautiful park to honor his life and achieve the goal of finding a cure for this dreaded disease.

Believe in a cure!
